THE CREATOR'S CUT - EPISODE 12
HOW AI IS TRANSFORMING STORYTELLING
FORMAT: INTERVIEW

INT. STUDIO - MORNING

HOST:

Welcome back to The Creator's Cut! I'm your host, Alex, and today we are diving into a topic that is reshaping the e

GUEST:

Thanks for having me, Alex! It's a pleasure to be here. I've been working at the intersection of AI and narrative design

HOST:

That's fascinating. So, for our listeners who might be skeptical - is AI actually creative, or is it just remixing what alre

GUEST:

That's the million-dollar question! I'd say it's a bit of both. The current state of AI, especially large language models,

HOST:

I love that framing - collaboration versus replacement. And that's where tools like PodCraft come in, right? I've been

GUEST:

Exactly! Tools like PodCraft are a perfect example. They handle the heavy lifting - generating voices, syncing music

HOST:

That's a powerful shift. What do you see as the biggest breakthrough coming in the next couple of years?

GUEST:

I think the next breakthrough is interactive storytelling. Imagine an AI that can adjust a story's plot and dialogue in re

HOST:

Incredible stuff. Samira, thank you so much for joining us today. This has been a fantastic conversation.

GUEST:

Thank you, Alex! It's been an absolute pleasure. To all the creators out there - keep exploring, keep experimenting,
